

STILO & JUNO

Wood-fired grills

STILO 800. Professional grilling, visual impact.

Designed for large gatherings and commercial use, STILO 800 ensures an impressive grilling surface and storage space for wood. The bold corten body adds a raw, natural look that fits seamlessly into any premium outdoor setting.

Stilo 800. Corten

JUNO 800. Intimate evenings, full performance.

Ideal for elegant garden dinners or late-night gatherings, JUNO 800 delivers the full performance of a wood-fired grill in a compact form. When the fire takes over, it transforms the mood into something unforgettable.

JUNO & STILO

Compact. Stable. Functional.

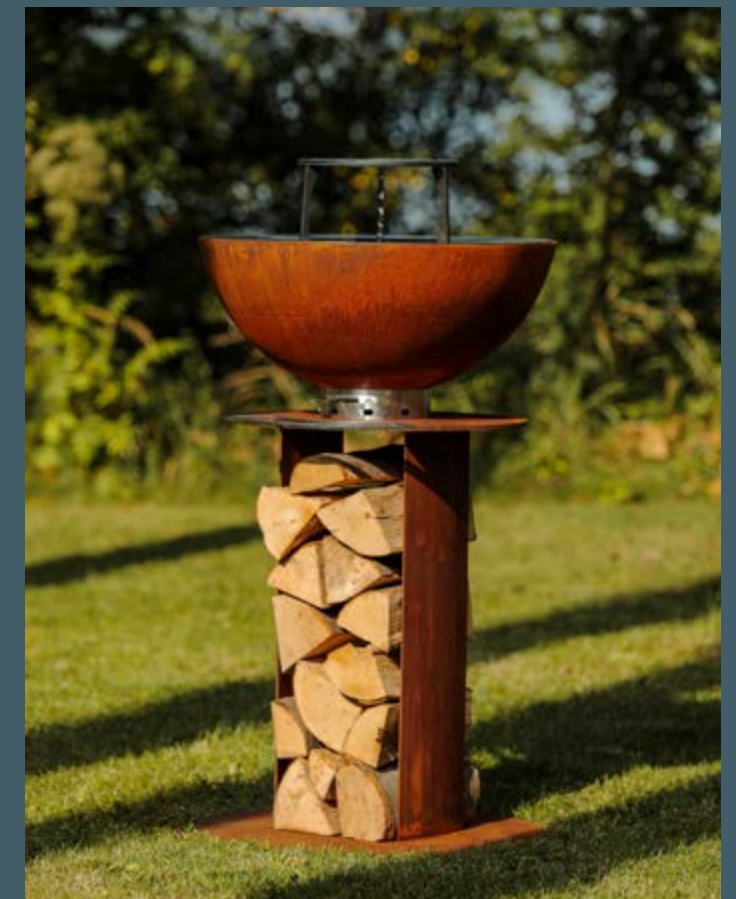

JUNO is a wood-fired grill available in three sizes – Ø600, Ø800, and Ø1000 mm – suitable for terraces, gardens, and commercial outdoor areas. It features a solid steel structure and a minimalist silhouette. The base is wrapped in thick decorative rope, adding warmth and a distinctive visual accent. Remove the plancha to turn it into a striking torch – perfect for heating and creating ambience. Available in corten or black powder-coated steel.

Bold by design. Practical by nature.

STILO offers more than grilling – it creates a focal point. With an integrated wood storage base, this grill is both a sculptural centerpiece and a functional solution for professional use. Offered in 600, 800 and 1000 mm sizes, STILO adapts to private and commercial spaces alike. Choose between corten or black finish to match your outdoor concept. After removing the plancha, STILO transforms into an impressive outdoor torch, perfect for heating and creating atmosphere at any event.

JUNO 600 – awarded German Design Award Special 2023

Every detail counts.

Precision grilling.

Efficient combustion.

Create a stylish social space by adding wooden bar wings for guests to gather and enjoy.

STILO/JUNO bar System

Expand the experience
Our custom-designed accessories turn every grill into a multifunctional cooking and serving station. From chef-grade grates to elegant bar extensions, each detail is made to impress and enhance your outdoor rituals. Perfect for gatherings that go beyond grilling.

Combining fire, food, and friendship – the Bar Extension elevates outdoor entertaining to a new level.

ACCESSORIES

Carefully crafted to complement your fire experience

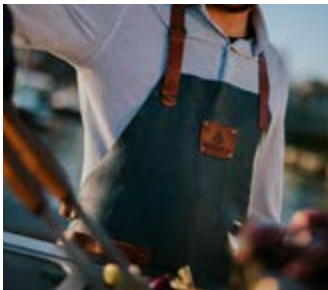

Our accessories are designed with the same attention to detail as our grills – combining durability, function, and timeless aesthetics. Whether it’s the natural grip of exotic wood, the toughness of stainless steel, or the elegance of handcrafted leather, each piece enhances the ritual of outdoor cooking. From protective gloves to precise grilling tools, everything has its place – for comfort, safety, and visual harmony.

Spatula – Versatile and durable.
Made from high-quality stainless steel and wood, this multitasking spatula is a must-have tool for daily use. Built to last and designed for comfort.

Leather gloves.
Protect your hands while grilling, baking or handling our flame lamps. Crafted from heat-resistant natural leather and Kevlar, these gloves offer outstanding protection and a unique design.

Leather apron – Crafted for comfort.
Handmade from premium natural leather, our apron adds elegance and functionality. With adjustable straps and high flexibility, it suits every silhouette and makes outdoor cooking a pleasure

BBQ fork and knife.
Crafted from stainless steel and wood, our BBQ fork and knife offer length for safety and grip for control. Perfect for turning, slicing and serving

Tongs – The grilling essential.
Universal, practical, and durable. These stainless-steel and exotic-wood tongs provide safe distance, firm grip, and reliable control over every meal.

Slotted spatula – Control and convenience.
Durable stainless steel and wood ensure longevity. Its wide shape with drainage holes is perfect for flipping and lifting food while draining excess fat

Smart additions for ultimate flexibility

Every detail matters. Our accessories are designed to adapt the grill to your unique style of use – extending functionality, improving safety, and making the experience even more enjoyable. Whether you’re preparing a large feast or simply creating a cozy evening fire, these elements allow you to tailor the setup to your needs.

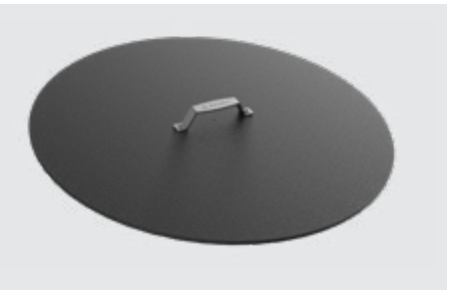

JUNO/STILO Bar 600
Made from solid acacia wood, BAR 600 is a compact ring table designed for smaller grills. It adds elegance and convenience without taking up space. Ideal for serving, seasoning, or holding utensils – it brings control and comfort to your grilling experience, especially on terraces and smaller outdoor settings.

JUNO/STILO Bar 800
BAR 800 offers the perfect middle ground. Handcrafted from durable acacia wood, it surrounds your grill with a spacious ring for serving dishes, preparing food, or keeping tools close at hand. Designed to match the proportions of STILO and JUNO 800, it adds both functionality and refinement to your outdoor kitchen.

JUNO/STILO Bar 1000
Generous in size and made from premium acacia wood, BAR 1000 transforms large grills into fully functional cooking stations. With space for everything you need – from plates to accessories – it’s the ideal solution for restaurants, events, or private gardens where elegance meets professional-grade performance.

JUNO/STILO Cover
Protect your grill with a perfectly fitted steel cover. Designed to shield the cooking surface from the elements and keep it clean between uses, the cover combines durability with minimalist design. Available in three sizes to match all JUNO and STILO models: 600, 800, and 1000.

JUNO 600 + Bar 600
